

Trolling Master Bornholm 2014

(English version further down)

Så er tilmeldingen åben.

Sidste år kom der 52 tilmeldinger den første dag. I år har vi frem til middag tirsdag 93 tilmeldte.

Hertil kommer de teams, som er garanteret deltagelse, fordi de har bestilt fægebillet tidligt. Da tilmeldingen åbnede var det 40 teams, men heraf har 18 også registreret sig nu. Det betyder, at der er 22 pladser, der er sat til side.

Så reelt har vi lige nu brugt 115 pladser ud af de 300 mulige deltagere.

Også i dag er det gået overraskende hurtigt med tilmeldinger, og det betyder, at vi anbefaler teams, som helt sikkert ved, at de vil deltage at gå ind på hjemmesiden for at tilmelde sig. Tilmeldingen lukker automatisk, når 300 er tilmeldt.

Registreringen sker på (husk at have Dankort og båd-info klar):

www.tv2bornholm.dk/trolling.

I kan altid følge en opdateret deltagerliste på:

<http://www.tv2bornholm.dk/events/trolling/trolling-2014.aspx>

Noget kunne tyde på, at der bliver sat deltagerrekord. Den nuværende lyder på 263 både.

Spørgsmål vedrørende konkurrencen sendes til:

Reglerne ligger også på hjemmesiden, så man kan læse dem igennem, inden man foretager tilmeldingen.

Trolling Master Bornholm 2014

(English version)

Registration open since yesterday.

On the first day of last years registration 52 teams signed up for the competition. This year until midday today 93 teams have registered for the 2014-competition.

To get the complete overview 40 teams have reserved participation, because they bought ferry tickets early. In this group 18 have completed the registration, which means that at this stage there is 22 reserved numbers.

This means that the correct number right now is 115 teams out of the total of 300 possibly participating teams.

Today we have also a surprising number of registration. This means that we recommend – if you are certain to come to Bornholm next to do the registration soon. Registration closes automatically when the max. number is reached.

Registration is done on (remember to have your creditcard and boat info ready):

www.tv2bornholm.dk/trolling.

You can see an update list of participating teams on:

<http://www.tv2bornholm.dk/events/trolling/trolling-2014.aspx>

The interest could be a sign of a new record. The present record was 263 boats.

Question concerning the competition:
